

Appl. Serial No. 10/632,153
Amendment dated October 21, 2005
Reply to Office Action dated 07/21/2005

REMARKS/ARGUMENTS

Claims 45 to 61 have been cancelled, and claims 1-4 and 6-44, as amended, now remain in the application. As requested by the Examiner, the claims have been carefully amended to more particularly and definitely define the novelty of the present invention over the teachings of the cited prior art.

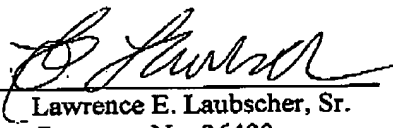

Since all of the claims now standing in the application have either been allowed or have been indicated to be directed to allowable subject matter, it is courteously believed that this application is now in condition for allowance.

Kindly charge any Government fees resulting from the entry of this Amendment to Account No. 12-0605.

Favorable action is courteously solicited.

Respectfully submitted,

10/21, 2005
